

## Colorado Voters for Animals Volunteer Confidentiality Agreement

(Hereinafter “organization” means Colorado Voters for Animals and/or Colorado Animal Protectors)

- I acknowledge and confirm that as a volunteer I may acquire information on the organization, its board, supporters and volunteers about certain matters that are confidential in nature and that such information is the exclusive property of the organization and will remain in strictest confidence.
- I acknowledge that information on the organization’s members and supporters including names, addresses, emails, etc., are confidential and will not be sold, shared, exchanged, or otherwise provided to any third parties without the express approval of the organization.
- I acknowledge that if released to third parties the information referred to above could be used to the detriment of the organization and its activities. I thereby undertake to treat as confidential all information, contracts, resources, and other proprietary information. I agree not to disclose any such information to any third party either during the term I am volunteering for the organization or at any time thereafter unless required by law to do so, or as authorized by the organization.
- I agree that any knowledge of sensitive issues gained as a result of my volunteer position will remain in strictest confidence.
- I agree that I will not present myself as an official spokesperson for the organization in dealings with the media, news outlets, lawmakers, or other interested third parties without prior authorization from the organization.
- I understand the organization requires confidentiality agreements to be renewed annually.
- I confirm that I have read the above statements and agree with them, and I will therefore adhere to all confidential requirements contained in this agreement or as may be otherwise directed to me in writing, to include email, texts, or other forms of communication by the organization.
